

--Study Planet – Pranav Sharma--

Hey Guys ,

I am Pranav Sharma and I am studying in class 9 and I am also a student like you , I faced many problems from youtube distractions Time Waste etc. then I realized I can't study anymore so I started building STUDY PLANET a one-stop solution where I can view watch lectures without any distraction and then I thought that the same problem will be with everyone so I made this website publicly so that you guys also use it so this is all yours

Thank You
